

Secondary Science Networks 2023-24

The primary aims of the subject network meetings are to:

- Review and analyse the latest research and evidence in high quality science curriculum and teaching.
- Ensure a clear understanding of the national picture and its application in local and school contexts.
- Support effective subject leadership as appropriate to each school's individual context.
- Develop skills, expertise and capacity within school subject leaders and their teams through quality strategic CPD and the sharing of good practice.
- Deepen understanding of subject specific pedagogy and knowledge that underpins good progress and attainment for ALL pupils.
- Facilitate school to school networking and develop strength across the system.

Common agenda items for these meetings:

- Development of subject specific knowledge and an understanding of strong progression and sequencing.
- Enhancing subject leadership.
- Structuring Key Stage 4 to ensure pupils are well prepared for the next phase of their education.
- Providing high quality Key Stage 3 provision that builds successfully on Key Stage 2.
- Ensuring all pupils, including the most vulnerable (SEN and PP) are able to make excellent progress.
- Sharing good practice and work.
